

Construction Update – 12th October 2017

We would like to notify you of the installation of hoarding for Building 3, which will commence on Thursday 12th October. This hoarding is to be installed on the Eastern footpath of Davy Road, between Central Avenue and Henderson Road.

To ensure that the Eastern footpath is kept open during business hours, the installation will take place overnight. The City of Sydney has granted approval for these works to be undertaken out of hours.

We will endeavour to keep the noisy works to a minimum and anticipate that the installation will require approximately four nights to complete between the 12th and 20th of October. No night works will take place on Saturday or Sunday nights.

We apologise for any disruption caused during these works. If you have any questions or if you require more information, please contact atp.communications@mirvac.com or call **1800 870 549**.

Kind regards, Kim
