## **Australian Technology Park Redevelopment Tree removal**

We wanted to notify you about the removal of a tree close to the Alexandria Child Care Centre.

The tree which is identified in the photo has an extensive root system which will be removed as part of the construction works taking place for Building 1 at Henderson Rd.

In consultation with the Arborist overseeing the works it has been determined that the removal of the root structure will cause the tree to become unstable.

Due to the trees location and close proximity to public areas the removal of the tree is therefore required to ensure that it does not pose a safety risk.

### **When will this take place?**

We are planning to remove the tree on an upcoming Saturday, during construction hours of 7:30am – 3:30pm. This is to reduce the impact to the Alexandria Child Care Centre.

### **Ongoing Communication**

Mirvac aims to share information in a timely way using a range of communication tools and seeks to respond quickly to our neighbours concerns and questions. Attached to this letter is our second project newsletter. This includes further information about construction updates. This is also available on our website, [www.atp.com.au](http://www.atp.com.au).

For any further information please contact the Mirvac Australian Technology Park Community Relations Team via the 24hr phone **1800 870 549** or email [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com).

Yours Sincerely,

Kim Elliott  
ATP Communications Specialist
