

### Construction Update – 3<sup>rd</sup> May 2017

As you may be aware, we have a blockage in the sewer system which effected the locomotive workshops yesterday. Sydney Water worked on the issue overnight and can confirm the bathrooms are now all available for use.

There is some extensive work to repair the issue which will require some traffic changes to Locomotive Street. Traffic control will be in place and access maintained at all times.

We apologise for any inconvenience caused.

If you have any questions or concerns, please contact me at [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com) or call **1800 870 549**.

Kind regards, Kim
