**Australian Technology Park Redevelopment**  
Information about Tower Crane Installation

Dear neighbour,

On Friday 26<sup>th</sup> & Saturday 27<sup>th</sup> May 2017 Mirvac will be installing the third tower crane for the development on Lot 9 (Building 1) at Australian Technology Park. The works will involve the setting up of a mobile crane on Central Ave (see attached drawings). The components for the crane will be delivered on trucks that will enter the precinct via Davy Rd.

There will be exclusion zones and traffic changes in place on Central Ave during lifting operations. Public pedestrian access will be maintained on Central Ave and access to the Media City carpark and loading dock will also be maintained.

The works are scheduled to be completed on Friday & Saturday however progress could potentially be delayed due to unforeseen circumstances such as inclement weather.

**Ongoing Communication**

Mirvac aims to share information in a timely way using a range of communication tools and seeks to respond quickly to stakeholder's concerns and questions. This includes further information about the project and construction updates. This will also be available on our website.

For any further information please contact the Mirvac Australian Technology Park Community Relations Team via the 24hr phone **1800 870 549** or email [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com).

Yours Sincerely,
